ENCORE

Optional Stand

Media Stream (available 2009)

The all in one High Definition (HD) countertop delivering true HD games and millions of songs.

Sleek styling and advanced technology combine to bring you a countertop experience that is unrivaled. From the first touch you will glide through a 3D world where your visual and audio senses will demand nothing less.

Add the JVL Media Stream and embrace the world of music. Bring millions of songs to your locations. Enjoying music has never been this affordable.

An "Encore" experience worthy of a standing ovation… Bravo!!!
